Dear John and Laura,

Attached, please find a mark-up showing our proposed revisions to the draft third party audit provisions, in addition to a clean version of the revised document.

Also, I apologize for the inconvenience, but I am wondering whether it would be possible to move the call we have scheduled for Thursday to noon central / 1:00 p.m. eastern (or earlier, if that is better for everyone). If not, I will make the original time work. Thank you.

My best,
Jennifer
